ABOUT ME

my name is Aditya Gupta, and I'm a 19-year-old Indian undergraduate student studying engineering at DTU. I'm a person who enjoys learning new things and is fascinated by technology. I'm currently concentrating on software development and have some experience with web technologies, data structure algorithms, languages, and other topics. Coding is my passion, and I'm becoming better at it.

WORK EXPERIENCE

2020 - present

Learning and Building

As I am in initial stage, so I don't have any work experience, but I am learning new skills and working on it and building some projects

EDUCATION

2020- Present

Delhi Technological University

I am pursuing engineering from DTU in Electronics and Communication Engineering and I currently I am in 2nd year of my undergraduate program.

2019 - 2020

Kendriya Vidyalaya

I have completed my schooling and passed with 75% in 10th and 80% in 12th standard from Kendriya Vidyalaya No.2, Delhi Cantt.

HOBBY
